

MARCH 2018

7th Grade Outdoor Education CMS Longboats

What is Longboats?

What did last year's 7th graders love about Longboats? See their own words above!

The Facts!

Where: Northwest Maritime Center

431 Water Street, Port Townsend

When: June 4-11, 2018

Full school day

Who: All CMS 7th graders

How Much: \$50 per student (No waivers or scholarships available.)

How to Pay: In the CMS office.

Please pay by Spring Break to assist us with planning.

During this Outdoor Education program, all 7th graders will spend time on the waters of Port Townsend Bay, as well as time in the classrooms of the Northwest Maritime Center. Students also have the opportunity to be taught by Centrum arts educators and local maritime tradespeople.

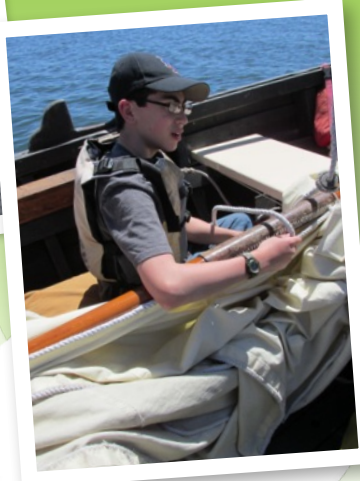

Our Outdoor Education programs make Chimacum Middle School unique compared to other schools around the state and nation. We truly want every 7th grader to have this experience!

U.S. Coast Guard approved safety gear and U. S. Coast Guard certified staff.
