

CHEERLEADING INHERENT RISK

This school strives to protect each student from possible injury while engaging in school activities. The guidelines and information identified below have been established for this activity in order to protect the student and others from injury and/or illness. Participants and their parents should recognize that conditioning, nutrition, proper techniques, safety procedures, and well-fitting equipment are important aspects of this training program. Each participant is expected to follow the directions/standards of the coach and must understand that failure to follow such directions or adhere to standards may place the participant at risk. Most cheerleading practice areas are constructed with extremely hard surfaces. Athletes who fall during participation risk potentially dangerous injury - especially to knees, elbows or head. Injury may include damage to joints, broken bones, or serious head and eye injury. Travel to and from off-campus facilities shall be in accordance with the directions of the activity coach.

Guidelines are as follows:

1. Make certain that you wear all equipment that is issued by the coach. Advise the coach of any poorly-fitted or defective equipment.
2. Advise the coach if you are ill or have any prolonged symptoms of illness.
3. Advise the coach if you have been injured.
4. Engage in warm-up activities prior to strenuous participation.
5. Be alert for any physical hazards or hazards in the locker room or in or around the participation area. Advise coach of any hazard or concern.
6. Practice stunt prior to the event that you will perform in. Stunts can be very dangerous if not spotted correctly.
7. Lead cheers at the appropriate time so you will be aware of ball and players' positioning to prevent possible injury.
8. Be aware of supervisory staff of both teams and where they can be located so they may be contacted in case of an emergency or an undesirable crowd control situation.

The above information has been explained to me and I understand the list of rules and procedures. I also understand the necessity of using the proper techniques while participating in the cheerleading program. Because of the dangers of cheerleading, I recognize the importance of following coaches' instructions regarding techniques, training and other team rules, etc., and to agree to obey such instructions.

I have read the above warning and release and understand its terms. I understand that cheerleading is a **HIGH RISK SPORT** involving **MANY RISKS OF INJURY**, including but not limited to those risks outlined above.

I understand that the dangers and risks of practicing or competing may result not only in serious injury, but in a serious impairment of my future abilities to earn a living, to engage in other business, social and recreational activities and generally to enjoy life.
