

Athletics Board Report 8/26/20

- **Attended a training and reviewed Final Forms, our athlete tracking system, to see what we have required in the past from coaches, parents, and student athletes**
- **Am in the process of revamping our coaches training requirements**
- **Am in the process of adding new codes of conduct for parents and students to sign**
- **Met with Memorial Field to discuss our partnership and football/soccer season this year**
- **Attended the WIAA coach's clinic, eligibility training, and new AD workshops**
- **Attended our NW2B/1A League meeting to discuss how we will move forward as a league**
- **Am in the process of conducting a coach's training for our coaches and assessing which coaches will be continuing with us and who cannot, due to COVID or other schedule conflicts**
- **Will begin an inventory of equipment and uniforms next week**
- **Will begin looking into the athletics budget, after the inventory, to determine where funds should be distributed**
- **Am in the process of creating a weekly check in class/zoom meeting for all athletes to help encourage them to stay on top of their classes and their fitness**
- **Am in the process of creating weekly personal training exercises and fitness routines for our student athletes**
- **Looking into concussion tests for our student athletes to take, to enable us to assess possibilities of concussion**
- **Looking into transportation ideas to assist with travel to some of our league games, as well as transportation for athletes who will be attending practices in Port Townsend**
- **Meeting with Patrick Gaffney, PT AD, this week to reassess our co-op and combined sport agreements**
- **Sent out a letter this week to all parents/guardians and athletes in grades 7-12 to introduce myself, let them know what is happening with sports, and to have them fill out a survey on sports and technology access**
- **Working with our league and WIAA to get game schedules and determine what play offs will look like this year**
- **Looking into CPR/First Aid classes for coaches and possibly staff**
- **Creating a process for weekly grade and attendance checks on athletes that will work with virtual school and won't take much time for teachers**
- **Looking into the possibility of having some sort of athlete on site homework assistance "class" for athletes who are having trouble with classes and grades**
- **Working on a recognition system for student athletes that will recognize them not only for their participation in sports, but also their academic achievements**
- **Beginning Sept. 17, coaches can work with athletes until Nov. 26. I would like to put together a schedule with all coaches where we can have individualized or no more than 5 kids in work outs, COVID permitting. If we cannot work with them, students will do the individualized workouts I mentioned before. Basketball and Wrestling will begin Dec. 28.**

Other Business

- **Assisting in ensuring that all our students have access to the internet for this school year**
- **Working on creating a map of the areas where internet service is not provided**
- **Devising plans on finding ways or areas for these families to gain access**
- **Creating a cheat sheet with Tim, with images and text for parents/guardians and their students, to help them log into their classes and access their work**
- **Putting together a computer check out day for 7th-12th graders. To minimize the number of students on campus at a time, we will have separate times and days per grade**
