**Time to remember MLK Jr.**

**NEW**

**MLK:** Monday is Martin Luther King, Jr Day. In lieu of our annual assembly, the CJSH ASB have compiled 2 videos highlighting MLK and his message. Please visit the links below to some of messages that MLK presented.

“We must develop and maintain the capacity to forgive. He who is devoid of the power to forgive is devoid of the power to love. There is some good in the worst of us and some evil in the best of us. When we discover this, we are less prone to hate our enemies.” MLK

Dr. Martin Luther King, Jr. advocated for equal rights through peaceful protests. His legacy continues to live on into modern society. While racism may not be as blatantly obvious today, it is still imperative that we continue MLK’s legacy of equality and love.

TECH HELP
We have a support phone number for students to call when they are having connectivity or computer problems with their school issued laptop. Students can call (360) 302-5850 Monday thru Friday between 7 AM and 4:00 PM. The phone rings at three extensions and if we are unable to answer it, the voicemail automatically creates a support ticket we use to get back to the student.

From the AD Desk
Attention Jr High & High School Athletes and Parents!! Athletics have now been directly tied to the new “Healthy Washington Roadmap to Recovery,” where we have now been put into regions for our recovery approach. We are in the Northwest Region with Clallam, Kitsap, and Mason Counties. Looking at the new phases within that roadmap, WIAA has presented an option to begin Fall sports Feb. 1, with the idea that Leagues and Districts have the ability to make proposals for their own plan for sports. With that said, we most likely will be competing regionally this season. We are currently in discussion with schools in the Northwest Region, and more will be known by the end of the week. On January 11 our region began in Phase 1. We need to reach Phase 2 in order to compete. New metrics will be announced every Friday to determine whether our region moves up a phase, stays the same, or moves down. To compete we need to be in Phase 2. The sports that might begin Feb. 1 will be fall season sports: football, volleyball, girls soccer, x-country, girls swim, and boys tennis. Spring sports may begin mid-March, with winter sports around late April to early May. Information is changing every day. There are many different things that must come together to have athletic seasons, and even more things to have competitions. Please stay tuned to the website and Facebook for more up to date information as it comes in. Thank you! More specific details will be announced by Tuesday, January 19.
