

The SmileMobile dental clinic is coming to...

Location:

Please call 888.286.9105 to schedule your dental appointment.

The dental team will see children, youth, pregnant/postpartum people and adults on Apple Health or uninsured.

At your appointment, we may do one or more of the following:

- Dental examination
- Oral health education
- Fluoride varnish
- Sealants
- Simple extraction
- Temporary filling
- X-rays

Due to COVID-19, we will not be doing cleanings or other services that generate aerosols.

COVID-19 Update

To reduce the spread of COVID-19, the SmileMobile program is implementing new recommendations for infection control. All these changes and precautions are to keep you, your family, and the dental team safe and healthy.

When you call for an appointment, you'll be asked **basic health screening questions** to make sure you are healthy and ready for an appointment.

To keep you safe, all areas of the SmileMobile will be **cleaned and disinfected frequently and hand sanitizer will also be available**. You will see certain precautions in place for **physical distancing** and when you arrive you will be asked to wait in your car until your exam.

See back of form for steps to take at your appointment.

Steps to Take for Your SmileMobile Appointment

Step One: Arrival and pre-screen for all appointments

- When you arrive, please wait in your car or identified area and call or text the SmileMobile at 206.418.8970
- A team member will come to you and ask COVID-19 screening questions (i.e. Do you have a cough?) and take your temperature
- Please disinfect hands with hand sanitizer (provided to you) and put on your mask prior to coming on the van
- Due to COVID-19, we will schedule one patient at a time

Step Two: Dental exam or treatment appointment

- Please wear your mask (required for patient and parent/guardian before entering the SmileMobile)
- No hand shaking or physical contact
- Patient will sit in dental chair and parent/guardian will be asked to sit/stand in designated area
- Dentist will provide an exam and x-rays will be taken if needed
- Treatment will take place (if time allows) or schedule for treatment
 - Once scheduled, you should receive confirmation via your text

Step Three: Following exam or treatment

- If needed, the dentist will write a referral
- Please make sure you have our contact information and contact us if you or your child has COVID-19 symptoms or tests positive for COVID-19 within 2 weeks of the dental appointment
- We will send a survey via SurveyMonkey, please fill out

What additional safety precautions will be taken?

All dental professionals will be wearing masks, gloves, and other approved personal protective equipment during your appointment. The dental team is not able to shake hands with patients.
